Shimmering Diva

It is the caring that she lovingly gives the passion that she shows.
The beauty of a woman grows with the passing years.

Dark Romance

I appreciate simplicity, true beauty that lasts over time,
and a little with an eclecticism that makes life more fun.

fashion is
not something
that exist
dress only, fashion
is in the sky, in the
street, fashion has
to do with ideas the
way we live,
what is happening.

When you love fashion,
there is no weenkend.
Everything just blenas
together.Fashion is about
how you place the
object on the person.
