"The beauty of a woman is not in the clothes she wears, the figure that she carries, or the way she combs her hair. The beauty of a woman is seen in her eyes, because that is the doorway to her heart, the place where love resides. True beauty in a woman is reflected i n her soul. It's the caring that she lovingly gives, the passion that she shows & the beautyof a woman only grows with passing years."

know for silhouette. Fashion is what you
about when you don't know who you are.
