Beauty is when you can appreciate yourself. When you love yourself, that's when you're most beautiful.

People are like stained - glass windows.
They sparkle and shine when the sun is out,
but when the darkness sets in,

Variable Style

Beauty is a manifestation of secret natural laws, which
otherwise would have been hidden from us forever

Fashion Desire

It is the saying that the honey gives the
pattern that she shows. The beauty of a
woman grows with the passing years.
Beauty is power, a smile is its sword.

Charming Looking

Real beauty is to be true to oneself! That's what makes me feel good. Beauty is the first present nature gives to women and the first it takes away.

Luxious Speed

Great look goes with you, no time to spare. It's time to
be ready of the world. Your beauty is still in the world.
